"CALLED TO TEACH"

Faith Formation for Catholic Educators

Who is this formation program for?

Any Catholic teacher or teacher candidate who wishes to deepen their faith.

Goals of the Program?

In our Catholic schools, there are so many of what Saint Pope John Paul II called 'people of goodwill.' The goal of the program is to provide ongoing formation for teachers seeking a deeper understanding of their faith.

Our goal is to nurture and deepen the doctrinal and human formation of Catholic educators so that they can be witnesses to the Gospel of Christ and fulfill their vocational calling to the great mission of Catholic Education.

OUR OBJECTIVE

- To strengthen and support Catholic teachers in learning and living their Catholic faith.
- To provide the doctrinal and human formation they need to communicate and articulate their faith effectively.
- To facilitate practical application in the classroom.
- To promote and support fellowship among Catholic educators.
